

Discover Health & Wealth with Immunotec in Los Angeles!

Immunotec is the North American leader in health and wellness products, specializing in the support and maintenance of a strong immune system. Come discover the converging trends that make Immunotec the best business opportunity of the first half of the 21st century!

Come and learn about:

- Immunotec's remarkable products, including our patented immune system products, Immunocal and Immunocal Platinum. Hear the product stories for yourself!
- The extensive research and science that goes into every Immunotec product.
- Hear from Independent Consultants who have taken advantage of this incredible business opportunity – and are supplementing their income as well as creating residual income – with a company that is anchored in integrity.

Join our team at this event and we'll add a FREE Immunocal KickStart Kit to your first order!
